Bird Route No 2 Bemboka

There are many drives around Bemboka and into the hills well worth exploring.

This route is a 22 km circular drive through some typical Bemboka scenery commencing at the Bemboka Hall in the main street on the corner of Adams St. There are stops suggested and many places to pause and look from the car, especially at bridges. Please remember to keep one eye on the rear view mirror and watch for local traffic. Slower cars with birdwatching tourists are not everyday drivers on these roads.

Set the trip meter, follow the prompts and enjoy your day.

- 0.6 Local tip on left if you feel inclined to look.
- 0.7 Greens Crossing Bridge, a one lane bridge but room to pull over on both sides of the road at either end of the bridge. Scan the eucalypts.
- 1.1 Turn left to Greens Crossing swimming hole. Park here, walk down to the river, and generally wander around.
- 2.0 Green's Dam on the right. Pull off on **right hand side** to get off the road.
- 3.3 Wilton's Dam on right and again pull off on the right hand side of road. Dirt road.

- 13.3 Back on to Highway at Morans Crossing
- 13.5 Plenty of room on the left to park.
